DESCRIBE

Title *(required)* 0/100

Description

I took this photo in 1953 when we had one of our wettest winters and the village flooded. The waters were so deep that everyone was using boats to get around - this is our vicar in a boat outside the local corner shop.

8. Next you will be asked if it's OK for other people to use your photo. You will have a choice of options. If you are unsure, you can choose the one that says "Copyright not evaluated".

9. Then add the date of the photo:

WHEN IS THIS FROM? *(required)*

10. Add the place where the person or people in the photo were born. If you are unsure of the current name or spelling, please use the JewishGen Communities Database at <https://www.jewishgen.org/Communities/Search.asp>

WHERE IS THIS FROM? *(required)*

- I have a rough location for my pin eg. a town or region
- I have an exact location for my pin eg. a full address or street

💡 "Rough location" draws a circle on the map that you can move to show approximately where the pin belongs.

💡 "Exact location" lets you pin it to a precise point on the map.

You also have the option to add tags – please use this to include names, places and countries mentioned in your story:
